We are instructed by Barratt Metropolitan LLP, to submit a hybrid planning application for the comprehensive redevelopment of the site for estate regeneration purposes involving the demolition of all existing buildings and structures and: full planning permission for the erection of 358 residential units (Class C3) and 131m² GEA Class A1, A2, A3, A4, B1 floorspace, with buildings ranging from 5 to 26 storeys, car parking provision including at basement levels, cycle provision, associated landscaping and public realm works, associated highway works, energy centre, and interim works; and outline planning permission comprising a maximum of 162,000m² GEA residential floorspace (Class C3), a maximum of 1,669m² GEA Class A1, A2, A3, A4, B1 floorspace, and a maximum of 3,600m² GEA D1 floorspace (Nursery, Primary School and Community Centre), development blocks ranging from 48.75m AOD to 140m AOD , associated cycle and car parking including at basement levels, landscaping and public realm works, interim works, associated highway works, and two pedestrian bridges.

This application has been subject to extensive pre-application consultation and community involvement and represents the culmination of those discussions.

In agreement with the London Borough of Barnet, we enclose the following copies of the planning application.

- 8 hard copies
- 15 CD electronic copies

It is agreed that the London Borough of Barnet will distribute copies of the application to the GLA and Statutory Consultees under the terms of the Planning Performance Agreement.

To ensure ease of consultation, Barratt Metropolitan LLP has also established a website www.west-hendon.com.uk at which the application documents can be viewed. It is made clear at this website that all comments must be made to London Borough of Barnet in the normal manner.

The planning application is supported by the following documents.
